

# JD BURGESS BAND

**J**D BURGESS was born in the UK, grew up in New Zealand and Singapore and has spent many years in the USA. His love of American music has influenced his song writing, with story-telling lyrics of life and love.

His deep bluesy vocals are beautifully supported with rich sound and rhythm by Paul Vassallo (ex Box the Jesuit) on

slide guitar, Mark Fairhurst (ex Magnetics, Ol' 55, Roland K Smith & the Sinners) on drums and Ash Manning (ex Tourettes) on bass guitar.

The JD Burgess Band will transport you to the deep south of the USA with its mix of blues, country, roots and folk. A musical crossroads where Robert Johnson and Steve Earle meet and join forces.
